This is just a short note to wish you all a very happy Christmas when we finally get there – here's hoping it will be a more normal one this year! But who can tell? In the meantime we will hopefully see you in person at the AGM when we will have a discussion of ideas for the future of NOSCA.

See you all soon,

NOSCA Covid Policy

Members are reminded of the item that appeared in the November Newsletter 'Living with Covid'. This reminded members of government recommendations for meetings in 'indoor settings' and the committee made further recommendations for members to stay safe at NOSCA meetings. Following the November meeting at the Harpole Bowls Club the committee have decided to strengthen these recommendations for the AGM:

On the day, before attending, everyone should take a lateral flow test, for the sake of everyone else.

Members should spread out as much as possible.

Windows will be opened, to increase ventilation – bring warm clothing.

Members should consider the feelings of others in the wearing of masks – mask wearing is recommended by the government in 'indoor settings' where you encounter people, you do not normally meet.

After the AGM, the committee will review this policy for the January meeting.
